Section: 5511 Fundamental Subjects Exams • Total Questions: 1 • Format: Verified Q&A

1. In the excerpt, the descriptions of the setting primarily serve to

It was true that Charles Wallace seldom spoke when anybody was around, so that many people thought that he'd never learned to talk. And it was true that he hadn't talked at all until he was almost four. Meg would turn white with fury when people looked at him and clucked, shaking their heads sadly.
-Madeleine L'Engle, from *A Wrinkle in Time*

- (A) introduce an obstacle the character must overcome
- (B) reveal an aspect of the character's state of mind
- (C) highlight the physical attributes of the character
- (D) introduce the motivations for the character's actions
